

With 17 years under our belt, Jimmy's has been given the opportunity to expand into the adjoining building! Our dear friends at Telefix have retired after serving the Herndon Community for over 43 years!

Our goal is to build a new kitchen, dining area, restrooms, and beer garden! Once these goals have been met we plan to one day brew our own beer!

Many of you know the restaurant business is difficult to maintain financially, and to do this project, we will need help from as many people as possible.

Enclosed are options for you to get involved and help Jimmy's expand our wings!

We will be donating 10% of the proceeds to benefit the families of the U.S. Military and First Responders. Your support is appreciated.
